Our experience has shown that it is wise to have an understanding with our patients as to our office policies and fees. This form has been prepared for your convenience and information. We offer several methods of payment for your Chiropractic Care at our office, and you may choose the plan that best fits your needs. Please read carefully and choose the plan which you prefer. This information will enable us to better serve you and help to avoid misunderstandings in the future. If special arrangements are necessary please consult with the Doctor. Our main concern is your health and well-being, and we will do our best to help you.

**PLAN #1 - INSURANCE-** If you have insurance which covers Chiropractic care, we will bill your insurance directly. Please bring us your insurance information on or before your second visit. Until we have the completed, necessary insurance information to verify chiropractic coverage, you will be required to pay for your care. Most patients with “deductible plus 80% pay” insurance donate a nominal fee weekly, in addition to meeting their yearly deductible. In the event the check should come to you, you are expected to bring the check to us. Remember, insurance companies balk at “maintenance” and long-term rehabilitation. Usually you will not get much help after your initial corrective care. Most ordinary “health” policies are designed and intended to only take care of acute problems so you should plan to “get off” insurance and be on your own when you get down to once a week or less (except, possibly, some accident injuries). At this point, refer to Health and Life Extension Plan (ask Doctor for details).

**PLAN #2 - CASH-** Fees are to be paid at the time services are rendered, unless special arrangements have been made in advance.

**PLAN #3 - WEEKLY/MONTHLY/YEARLY CASH AGREEMENT-** For those non-transient, but active patients who qualify, we will extend knowledgeable credit through this plan; however, should you become inactive by discontinuing your care, your entire unpaid balance will be due immediately. This plan applies to all cases, except Work injury or Auto injury claim.

**PLAN #4 - INDUSTRIAL-** You need to report your injury to your employer, bring in necessary insurance information, and sign industrial forms for billing by second visit. Until necessary insurance information is gathered and verified for chiropractic care, you will be required to pay for your care. We will bill your insurance directly after verification of coverage. In the event the check should come to you, you are expected to bring the check to us.

**PLAN #5-AUTO/PERSONAL INJURY-** You need to supply us with the accident report, your car insurance, health insurance, and liable parties insurance, and attorney if applicable. Until necessary insurance information is gathered and verified for chiropractic care, you will be required to pay for your care. We will bill your insurance directly after verification of coverage. In the event the check should come to you, you are expected to bring the check to us.

**PLAN #6 - MEDICARE-** Per established Medicare guidelines, please bring us your Medicare information on or before your second visit. We will bill your Medicare directly. In the event the check should come to you, you are expected to bring the check to us.
